CODE OF CONDUCT FOR CLUB MEMBERS

Evatt Calisthenics Club is committed to the positive influence of Calisthenics on the emotional development, the building of self esteem and development of leadership skills of pupils and coaches. To foster this the Club aims to provide a positive environment where mutual respect and co-operation work in tandem to achieve the best possible results for each individual. To this end, the following code of conduct should be observed by ALL Evatt Calisthenics Club Members.

Treat all participants in your sport as you like to be treated yourself.

Respect the rights, dignity and worth of all participants regardless of their ability, gender or cultural background.

Co-operate with your team-mates, coach and members of other Clubs.

Control your temper. Verbal abuse of others or deliberately distracting or provoking others are not acceptable or permitted behaviours in any sport.

Work equally hard for yourself and/or your team. Your team's performance will benefit, so will you.

Cooperate with your coach and team mates. Without them there would be no sport

Participate for your own enjoyment and benefit, not just to please others. Remember why you started doing Calisthenics, and make sure it's for the right reasons.

Attend training sessions and competitions at the required times. If unable, for a valid reason to do so, inform the Coach as soon as is practical.

Act respectfully toward officials and members of opposing Clubs. Remember you are representing Evatt.

Avoid individual or collective behaviour, which may be regarded as offensive, disruptive or inappropriate.

Make no detrimental statements in public in respect of the performance of any team members, Coaches or Club officials. If you have issues, take these up with your Coach or the Committee.

Parents are also bound by this code and should actively demonstrate and encourage the above behaviour.
