

## **EVATT CALISTHENICS CLUB INC.**

# Code of Conduct

Evatt Calisthenics Club is committed to the positive influence of Calisthenics on the emotional development, the building of self-esteem and development of leadership skills of participants, Class Assistants, Cadets and Coaches. To foster this, the Club aims to provide a positive environment where mutual respect and co-operation work in tandem to achieve the best possible results for each individual.

To this end, the Evatt Code of Conduct is to be observed by ALL Evatt Calisthenics Club Members.

- Treat all participants in your sport as you like to be treated yourself.
- Show respect for the rights, dignity, and worth of every participant, irrespective of their ability, gender or cultural background.
- Co-operate with and respect your Team-Mates, Coach/es, Managers and Members of other Clubs.
- Control your temper. Verbal abuse of others, or deliberately distracting or provoking others, is not acceptable or permitted behaviours in any sport.
- Work equally hard for yourself and your team. Your team's performance will benefit - so will you.
- Participate for your own enjoyment and benefit, not just to please others. Remember why you started doing Calisthenics, and make sure it's for the right reasons.
- Attend scheduled training sessions and competitions at the required times. If unable to do so for a valid reason, promptly inform the Team Manager or Coach.
- Interact respectfully with Competition Officials and members of other Clubs, keeping in mind that you represent Evatt Calisthenics Club.
- Avoid individual or collective behaviour, that could be perceived as offensive, disruptive or inappropriate.
- Make no detrimental statements in public, including social media (Facebook etc.) in respect of the performance of any team members, Coaches or Club officials. If you have issues, take these up with your Team Manager, Coach or with the Committee.

Parents, Volunteers and Evatt Supporters are also bound by this code and should actively demonstrate and encourage the above behaviour.
